HAND GRADE STRETCH FILM

Decora Overseas cast stretch film comes off the roll quietly. Cast film has high clarity for easy barcod scanning or load identification through the film. Cast films are the perfect fit for inside warehouses and other enclosed areas due to the lack of noise when the film is being unwound.

FEATURES :

- Wraps loads fast with little effort
- High clarity for barcode reading or load identification
- Smooth, easy release
- Available in multiple gauges
- High puncture resistance
- High amount of stretch
